T'was the night before Christmas and all through the Bird Store not a creature was stirring, not even the mouse.

The mouse, by the way, was happily sleeping in the bird seed bin after eating his fill of nuts and sunflower seed!

The stockings were hung by the bird cage with care, in hopes that St Nicholas soon would be there.

The birds Myrh, Lacey and Chippy were nestled all snug in their roost with visions of Well let's see.

Myrh is dreaming of Seed Cans filled to the brim with tasty seed and Tray Feeders that make it easy to eat on.

Chippy the Canary is dreaming of cozy Sheep's Nest Nesting Material and grass roosting pockets to make comfy nests all over the store! She also has visions of, (nope not sugar plums) socks dancing in her head. Chippy wants to try on all the socks so her legs will be warm during the winter.

All were settled for a long winters nap. When all of a sudden there arose such a clatter. Chippy and Myrh woke to see what's the matter. Oh, it's just Lacey flying through the windchimes on his way to get a midnight snack!

Lacey is dreaming about flying. He wants to see all of the places in the books that are in the book room.

He wants to look at the new T Shirts closer through the binoculars.

Whether you're favorite bird is a Chickadee, Cardinal, Goldfinch or a Bluebird we have gifts for you from sparkly earrings to kitchenware, mugs and towels, bird feeders, statuary, bird houses, unique bird baths, puzzles, games, and a whole lot more!

From the Bird Cage

Chippy and Myrh knew in a moment it wasn't St. Nick! Lacey get back to bed they both said, but Lacey was busy at the window and said, there's A Sleigh and Reindeer out here!

The birds all settled just in time to sneak a peak at old St Nick. He said not a word, but went straight to his work, loading the stockings and filling the Bird Store with gifts to the brim. Then he sprang to his sleigh, and to his team gave a whistle, and away they all flew like the down of a thistle.

The birds heard him exclaim as he drove out of sight, Happy Christmas to All and To All a Good Night!

Thank You

As 2010 is quickly drawing to a close we want to wish you a wonderful holiday season, and to thank you for your support throughout the year. It has been a difficult time for all of us, and thanks to you, our loyal customers we have persevered. We are thankful for your friendship and generosity, your stories and adventures. We were saddened by the loss of some of our Bird Store friends this year, but we are sure they are still with us soaring with the birds.

The birds at our feeders give us hope for the future, they are here and so are we, as stewards of our natural world.

*Peace and Joy to you all
God Bless, Bill & Nancy*
